

Amateur Notes

BY JOHN R. HOOPER, JR.
Thompson, who pitched for H. S. Wright yesterday, twirled good ball, and had no trouble winning his game. This is the first game that the team has won this season.

Robinson's catch of Barfoot's foul fly in the Indians-Wright game was a nice piece of work. Robinson had to run to the third step of the bleachers, where he fell, but came up with the ball in his hand.

Bradley McClintock, pitching for H. S. Wright, is a mighty good young twirler. Yesterday he pitched eleven innings and allowed only four hits, struck out ten batters and walked but two men.

"Ruck" Hooker is doing wonders with the Battle Axe team, and somebody had better watch him or the Axes will be taking a trip to Washington about the last Saturday in August.

In last Sunday's notes there was mention of the Ashland club having a new manager. This was a mistake. Roy Winkinson is still managing the club, and Albert Anthony will look after the playing end.

Several fans who have been regular attendants at the State League games were out yesterday morning to witness the game between the Alcos and Walkovers, and expressed themselves as being surprised at the article of ball that the boys played. These gentlemen said that the city officials should see that better arrangements are made for the benefit of the people who attend these games. Covers for the bleachers are needed to protect the people from the sun and suitable seats, police protection and other things that would tend to increase the attendance and encourage the boys.

Alcos, 8; Walkovers, 1.
The Alcos had an easy time defeating the Walkovers yesterday morning at Byrd Park. The largest crowd that has attended an amateur game in this city for some time.
The Alcos started their run-getting in the first inning, and after that scored almost will. After Amos went out from R. Wilcox to Whitfield, Asher beat out an infield tap, went to second when Higbie grounded out to Whitfield, and scored on Anderson's timely hit to center. Anderson, being caught at second. In the third the Alcos scored two more, when Pierce singled to center, and went to second on Schmidt's error. In the fourth a pitched ball. Each runner advanced when Asher laid down a bunt to Whitfield. Pierce scored on Higbie's sacrifice fly to right, and Amos crossed on Anderson's second hit. They scored again in the sixth. Overman walked, advanced on Fletcher's sacrifice, went to third on a wild pitch, and scored when Pierce singled to right. In the seventh, on singles by Asher, Higbie and Anderson and Street's double, two more came across. In the ninth Asher walked, went to third when Higbie went out from Apple to Whitfield, and scored when Whitfield threw wild trying to head him off at third. Tinsley doubled to left and scored on Street's single.
The only run for the Walkovers came in the seventh. T. Wilcox walked, stole second, went to third on Curry's infield hit, and scored on a passed ball. The playing of Boehling, Apple and R. Wilcox prevented the score from being larger than it was. Boehling's work being especially prominent. The batting of Pierce, Anderson and Asher

was responsible for most of the Alcos runs.

Indians Win.
The Indians defeated H. S. Wright's yesterday afternoon at Byrd Park by the score of 8 to 3. The game was very interesting from the start, neither side scoring until the fourth, when the Indians scored a run on Wright's boys managed to throw the runs across by bunting the ball. The Indians scored two more in the eighth, tying the score which remained so until the twelfth, when the Indians began to hit McClintock, scoring five runs, winning the game. The score:

Ten Billiard Champions to Tour the United States

First row from top to bottom—George F. Slosson, Willie Hoppe, Calvin W. Demarest. Second row—Koji Yamada, Albert G. Cutler, Ora Morningstar, George Sutton. Third row—Burton W. Mank, Harry Cline, Jake Schaefer, Jr.

A league composed of the billiard experts of the world has just been formed for mutual protection and incidentally for a "barnstorming" tour of this country. It is probable that Richmond will be one of the cities visited by these stars of the cue.

There are nine in the club, which is known as the Champion Billiard Players' League. They are: Willie Hoppe, Albert G. Cutler, Calvin W. Demarest, Ora Morningstar, Harry Cline, George F. Slosson, George Sutton, Jake Schaefer, Jr., and Koji Yamada. Burton W. Mank has been elected president and manager of the league.

The first plan projected by the new league is a tour of the smaller cities of the country to be begun within the next few weeks. This tour will extend over seven months, and about 150 towns will be visited. The object will be to take in these places that have never seen a champion billiard match.

HANNAH WINS RACE AT FAYETTEVILLE FAIR GROUNDS

Gentry Dictator Captures the Pacing Event, and Blossom Wilkes the Free-for-All.
Fayetteville, N. C., July 4.—A well-attended racing meet was held here today on the Fair Grounds half-mile track under the auspices of the Cape Fear Fair Association. There were three races, a 2:30 trotting race for \$200; 2:25 pace for \$200, and a free-for-all for \$200. Hannah, owned by H. Healy, of Tarboro, took first money in the 2:30 trot, and was driven by Nottingham. Time, 2:24 1/4. The pacing event was won by Gentry Dictator, a Fayetteville horse, owned by P. C. Leggett, and driven by W. H. Edson. Time, 2:20 flat. The free-for-all was won by Blossom Wilkes, owned and driven by L. S. Hadley, of Wilson. Time, 2:18 flat.

Entries in the trot, Prince Norval, owned by W. H. Edson, Fayetteville; Hannah, owned by H. Healy, Tarboro; Whitlock, owned by J. R. Crawford, Fayetteville, and Caroline B., owned by W. R. Sawyer, Elizabeth City.

Entries in the pacing event, Homer Kelly, owned by L. S. Hadley, of Wilson; Gentry Dictator, owned by P. C. Leggett, of Fayetteville; and Kenwick Belle, owned by C. R. Townsend, of Farmville.

Free-for-all entries, Ketch Me Girl, owned by W. R. Sawyer, of Elizabeth City; Oldwood, owned by Sawyer, and Blossom Wilkes, owned by L. S. Hadley, of Wilson.

The Fourth was well observed here today, there being a good program of athletic amusements and a big crowd was in town.

BROOM'S DRIVING WAS FEATURE OF AUTO RACES

Billy Miller Wins a Cup, Which He Gives to His Mechanician—Morowitz Stars in Motorcycle Race.

Several thousand people attended the race meet held at the State Fair Grounds yesterday afternoon by the Southern Speed Club for the benefit of the Virginia Home for Incurables. The riders, sometimes daringly in the extreme, circled the track to the delight of the audience, attaining often a speed of a mile a minute.

The head liner for the auto races, which was to have been a fifty-mile exhibition by the Fiat 100-horsepower car owned by A. Zachary and driven by Jack Opechansky, could not be put on because the car blew out a cylinder in a try-out. Eddie Broom's Blue Mercer was a star of the evening, and for an amateur his work was up to a high mark. Billy Miller, in his Ford, did some good driving in a handicap, winning a cup, which was presented to Jim Patton, his mechanician. A Metz, which was trimmed out for a race, had carburetor trouble, and went out of commission early in the day.

The cycle car race was unique, and though the time was rather slow, the midjet cars showed great possibilities. The motorcycle events were good, and Morowitz, of Newport News, did some splendid driving. His riding was sensational, but, unfortunately, in a match race he had a spill, but was not badly hurt. He struck a wet spot on the lower curve and went into the fence.

It was said that a neat sum was realized for the Virginia Home for Incurables, and the Southern Speed Club will probably soon put on another meet.

Following are the results:
Event No. 1—Five-mile single cylinder—Won by E. F. Stark. Time, 6:45 3-5.
Event No. 2—Five-mile twin—Won by Bivins. Time, 5:38 3-5.
Two-mile twin—Won by Stark. Five-mile twin—Morowitz. Time, 6:10.
Five-mile match—Morowitz fell; forfeited race to Bivins.
Cycle car race—Imp, five miles. Time, 2:45.
Automobile amateur, five miles—Miller. Time, 7:54 1-2.
Five-mile handicap—Broom. Time, 6:10.
Three miles against time—Broom. Time, 3:24 1-4.
